THE PARTY For two days Fashion Valley was abuzz with live shows for its annual "Fashion in the Valley." The *Riviera*-sponsored catwalk celebration included an after-party at The W Hotel. **THE FASHION** Feathers, more feathers and fur galore, thanks to Neiman Marcus. On the runway: flirty frocks from Betsey Johnson and Custo Barcelona; holiday chic courtesy of Kate Spade and Tory Burch; and guys rocked Hugo and Ralph. **THE SCENE** Shoppers peered to get a glimpse of the VIP area for patrons who shelled out big bucks. —GF
